Burgundy

Vinification

Grape juice and assembly of old Marc de Bourgogne (alcohol).

On-call time : 30 years

Typicality

This Burgundy grape juice blended with old Marc de Bourgogne is aged in oak barrels.

Serving temperature : 8°C

Our tasting

Offers a nose of dried grapes and ripe berries.

In the mouth, the roundness of very ripe grapes and dried grapes is confirmed but still leaves room for a light clean liveliness to Burgundy. You can also discover some similar notes of hazelnut compositions reminiscent of dried fruits and nuts served at the aperitif.
